Dear Mari,

This is only a note to acknowledge receipt of your letter and inform you that I have started to act. I will speak at the University within three weeks, and at the Ideological Institute next month. With regard to this, I need very urgently material, since the material I sent by mail from P.R. has not reached here yet. I need the political thesis, your speech before the assembly, and any other material containing economic data. Also, I would like you to send me an outline summarizing the situation before the U.N., and the most recent news concerning the Congress Committee. I have already spoken with some magazine editors, and "L'etincelle" wants an article as soon as possible, as well as "Spark." (L'etincelle circulates in French Africa and in leftist circles in France.) If you send this air mail, by return mail, it will get here in one week more or less.

I also have a very interesting news. A conference of "non-aligned" countries - Africa, Asia, Latin America - is being planned to be held in the first week of October at Cairo. A preparatory meeting was held at Colombo at which it was agreed that representatives from the Nationalist movements would be invited, and they would be given the opportunity to present their viewpoints before the chiefs of state. The Cuban delegate mentioned Puerto Rico among them. The final resolution does not mention any country by its name, and Entralgo thinks that it has been an implied acceptance that Puerto Rico will be included. I do not think I have to point out to you how important this conference will be. A permanent committee of nine (9) countries has been appointed to prepare the conference, it includes Ghana, Algeria, Guiana, "RAU," among others, and Entralgo thinks that we should seriously consider sending a representative to Cairo to meet with this Committee so that we can make sure we will have a representation at the summit assembly. I am sending in the course of this week more details including the temporary agenda, and so on, and I am waiting for your orders concerning what you want me to do about this.

Give my regards to my friends there, and to Paquita. I hope I will hear from you soon.

Fraternally,

ANA LEVIA

Estimado Mari,

Solo una nota para acusar recibo de tu carta e informarte que he comenzado a actuar. Voy a hablar en la Universidad dentro de tres semanas y en el Instituto Ideológico el mes que viene. En relación a esto necesito material con urgencia pues todo lo que envíe por correo desde P.R. no ha llegado. Necesito la tesis política, tu discurso a lo posible y cualquier otro material que tenga datos económicos. Además si me pudieran enviar cualquier sea un boletín resumiendo la situación ante la ONU y lo mas reciente sobre la comisión del congreso. Ya he hablado con algunas de las revistas y L'etincelle quiere un artículo lo mas pronto posible y lo mismo Spark. (L'etincelle tiene circulación en el Africa francesa y en circulos de izquierda en Francia) ~~Sixpudsixpud~~ (Si envían esto por correo aereo a vuelta de correo llega en una semana mas o menos) ~~Puede~~

Ademas tengo noticias de mucho interes. Se esta planeando una conferencia de paises no alineados -Africa Asia -Latino America para la primera semana de Octubre en Cairo. Se celebro una reunion preparatoria en Colombo ~~xxxxxx~~ donde se acordó que se invitaría a representantes de los movimientos nacionalistas y se les brindaría la oportunidad de presentar sus puntos de vista a los jefes de estado. El delegado de Cuba mencionó a Puerto Rico entre estos. La resolución final no menciona a ningun pais por nombre y Entralgo cree que ha habido una aceptación tácita de que se incluya a Puerto Rico. No es necesario que les cuento la importancia de esta conferencia. Se ha nombrado un comité permanente de 9 paises que preparará la conferencia que incluye a Ghana, Argelia, Guinea, RAU entre otros y Entralgo cree que deberos considerar seriamente el enviar a alguien a Cairo a ver a este comité para asegurarnos de que vamos a poder enviar representantes a la asamblea cubre. Les envío esta semana mas detalles incluyendo la agenda tentativa etc. y espero instrucciones sobre lo que deseen que haga sobre esto.

Dale recuerdos de mi parte a los compañeros allá y a Paquita. Esperando saber de ustedes pronto quedo

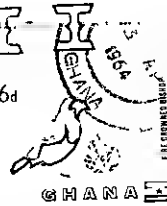

Paternalmente

Ché Luis

This office requires all student groups to advise the office of the purpose of the organization, and in the letter of October 2, 1946, the subject advised that the group was "dedicated to the discussion of Marxist analysis of modern problems." SJ 100-5258

was listed as Director of Literature. CESAR ANDREU has been President of the PCP since 1948.

T-2 also stated that ENRIQUE BAYO DERIBERPREY was the faculty advisor of the group. ENRIQUE BAYO is a present member of the PCP.

Confidential Informant T-1 advised that on January 29, 1949 RENE ALVAREZ SILVA, a member of the PCP, and the subject, were observed in the Libreria Estrella Roja (the PCP-managed Red Star Book Store), purchasing Communist literature.

The informant further reported that CHARLES ROSARIO, member of the Circulo, though not known to be a member of the PCP, was a close friend of CESAR ANDREU, and was considered a PCP sympathizer. ROSARIO was a Professor of Anthropology at the University of Puerto Rico.

T-1 said that during March, 1949 ROSARIO and the subject visited the home of CESAR ANDREU in order to discuss the problem of independence for Puerto Rico. Informant stated that according to statements later made by ANDREU, at Party headquarters, ROSARIO and the subject told him that they were Communists so far as concerns a possible war between the United States and Soviet Russia, and that they would be on the side of Soviet Russia in the event of such a conflict, but that their sympathies would, nevertheless, not place the problem of independence for Puerto Rico in a position secondary to the international aspects of Communism.

T-1 further stated that an extensive discussion occurred between ROSARIO, the subject, and ANDREU, at Andreu's home on March 8, 1949 concerning this attitude, and Andreu in an angered state, called them false Marxists in placing the independence problem ahead of Marxist concepts in the event of war between the United States and Russia.

JOSE M. TORO NAZARIO, an attorney, who resides and maintains office at 132 Robles Street, Rio Piedras, P. R., advised the writer on 11/18/52 as follows:

TORO stated that he was a vocale in an organization known as the Committee Puertorriqueno Pro-Democracia Dominicana (Puerto Rican Committee for Dominican Democracy) between the years from approximately the middle of 1946 to April, 1950, at which time this group disbanded due to "heavy Communist infiltration and direction". TORO pointed out that this group represented a "popular front" against the Trujillo regime in the Dominican Republic with its purposes aimed as the name of the organization would imply. JANE SPEED ANDREU was one of the board of directors of this organization and exerted a "tremendous amount" of influence at both the meetings and in the writings in the "Boletin" which was the official publication of the organization under the direction of ALBERTO BUJOSA. TORO typed JANE SPEED ANDREU as a Communist and listed the following persons in the organization as those he felt sided with the Communist line in group discussions and eventful decisions:

1. ANA LIVIA CORDERO - CORDERO was the treasurer of the organization and gave TORO the impression of going deeply into the Communist Party line in discussions. TORO also pointed out that her intellectual behavior gave him the impression that she was probably a member of the Communist Party.

2. CARMEN RIVERA DE ALVARADO

100-5258-103. 3. RENE JIMENEZ MALARET - TORO pointed out that JIMENEZ did a great deal of writing for the organization and his writing throughout to be Communist propaganda.

4. JUAN SAEZ CORALES - TORO describes JUAN SAEZ CORALES as a self-admitted Communist.

The aforementioned "Boletin" according to TORO was published for less than a year, in a period running from late 1949 to April, 1950. TORO advised that he has in his possession all copies of this

publication which was published on a monthly basis and a few extra copies which he is willing to relinquish to the FBI.

TORO furnished the writer with a copy of "Patria", pointing out that the June-July, 1952 issue of "Patria", which he was furnishing the writer, was to his knowledge the last publication prior to the slaying of co-editor, ANDRES REQUENA, in New York City in late September. TORO had met REQUENA and knew him as a young Dominican who has continually been fighting the Trujillo regime in the Dominican Republic since its advent, through the medium of the press. The copy of "Patria" furnished the writer is being enclosed with this memorandum. It is noted in a perusal of this paper that a lawyer by the name of ANGEL MORALES is listed on the editorial staff of "Patria".

TORO states that ANGEL MORALES CORDOVA, a native Dominican and lawyer, is presently residing at 516 Tappia St., Santurce, P. R., on the second floor. MORALES maintains office space on the first floor at this address with his office telephone numbers listed as 2-2878 and 2-3007. The home phone number for MORALES is 3-1254. TORO states that MORALES is unable to practice the legal profession in Puerto Rico and was one of the key men in the cabinet of Dr. HORACIO VAZQUEZ, last constitutional president of the Dominican Republic. TORO further believes that MORALES at one time represented the Dominican Republic as ambassador to Washington, D. C. TORO describes MORALES as a well informed individual in regard to the Dominican situation and believes him a desirable contact for the FBI.

SECURITY MATTER - C

On 12/29/52, [] reported that he had received information (hearsay) that the subject met at the home of PCP Secretary General, CESAR ANDREU IGLESIAS, on 12/27/52 with the following PCP members:

CESAR ANDREU IGLESIAS

ENRIQUE BAYO DERIBERPREY, Professor at the University of Puerto Rico, Rio Piedras, PR, and graduate student at Columbia University until 6/52

ELIEZER CURET CUEVAS, former Administrator of the Puerto Rican Communist Party "cover company"- Puerto Rico Printing & Publishing Co., Inc., and an accountant writer by occupation

JOSE LUIS GONZALEZ COISCOU, a PCP intellectual who recently returned from a two-year visit in the Soviet satellite countries

JANE SPEED DE ANDREU, rabid Marxist and wife of CESAR ANDREU

Informant advised that the subject brought \$280 in financial aid to the PCP. Informant stated that he inferred from the conversation that the money came from a student group with which the subject was affiliated in New York.

As previously reported, according to informant, the subject is not considered a member of the PCP.

A copy of this letter is being furnished to the New York office for information.

On 1/5/53 [] verbally advised that his report on the meeting of PCP leaders at the home of CESAR ANDREU on 1/3/53 with ANA LIVIA CORDERO was not clear in that the report indicated that CORDERO had brought \$280.00 from New York on that date.

Informant explained that during the past few months it had been reported that \$200.00 had been received from MERCEDES ARROYO and on another occasion \$80.00. Because of security this matter was not reported clearly and since the money came from New York it was felt that MERCEDES ARROYO had obtained this financial aid; however, it should be noted that when ANA LIVIA CORDERO met with PCP leaders she indicated that she had supplied the money from New York sources.

Informant stated that the National Assembly planned for 1/11/53 will probably not be held for lack of funds. He said that no mention has been made during the past week of this meeting.

JOSE LUIS GONZALEZ, according to information received by the informant, is no longer employed by a local radio station as a writer.

ESPIONAGE - R

Re New York letter to Bureau dated December 30, 1952.

Referenced letter requested that the San Juan Office review its indices and furnish the New York Office information concerning ANA LIVIA CORDERO GARCES de ROSARIO and her husband CHARLES ROSARIO it being noted that New York was already in possession of the report of SA THOMAS C. BURKE dated September 14, 1950, at San Juan, Puerto Rico, entitled AND LIVIA CORDERO GARCES de ROSARIO, SM-C.

By letter dated January 2, 1953, New York was furnished additional information relative to a recent visit to Puerto Rico on the part of the aforementioned woman.

Additional information obtained from San Juan indices check is set out below:

[redacted]

arrived in Rio Piedras, Puerto Rico, and went to the house of "ANNALIVIA CODERAU." According to [redacted] she was in the Marxist group and her father was the auditor. [redacted] refers to "a fellow named CHARLIE ROSARIO." The reference to the latter is not clear regarding the nature of the contact with [redacted].

It is believed that the ANNALIVIA CODERAU mentioned by [redacted] is identical with ANA LIVIA CORDERO GARCES de ROSARIO who father is auditor of Puerto Rico. The party referred to by [redacted] as CHARLIE ROSARIO may be identical with CHARLES ROSARIO.

San Juan file 100-0-5720-A reflects that the name of CHARLES ROSARIO, University of Puerto Rico, Rio Piedras, Puerto Rico, appeared on the mailing list of the "USSR Information Bulletin" published by the Soviet Embassy in Washington, D. C. This information was furnished by WFO to the Bureau in a letter dated January 28, 1949.

San Juan file 100-5023-3 reflects that during the month of June 1945, CARLOS ROSARIO also known as CHARLES ROSARIO, was attending weekly meetings at the home of JANE SPEED de ANDREU, militant member of the PCP. This report was based on information obtained from G-2 in San Juan, although exact date of receipt of the information is not available.

San Juan file 100-5258-10 contains information to the effect that on November 18, 1952, Mr. JOSE M. TORO NAZARIO, Attorney, 132 Robles Street, Rio Piedras, Puerto Rico, advised SA ROBERT L. BUCKINGHAM as follows: TORO was a vocal in an organization known as the "Comite Puertorriqueno Pro-Democracia Dominicana" (Puerto Rican Committee for Dominican Democracy) during the period from the middle of 1946 to April 1950, at which time the group disbanded due to "heavy Communist infiltration and direction." This group represented a popular front against the TRUJILLO regime in the Dominican Republic. JANE SPEED de ANDREU (identified above) was one of the members of the Board of Directors of this organization and she exercised a "tremendous amount" of influence at both the meetings and in the writings of the "Boletin" which was the official publication of the organization. ANA LIVIA CORDERO was the treasurer of this organization, and she gave TORO the impression of going deeply into the Communist Party line in her discussions. TORO also stated that her intellectual behavior gave him the impression that she was probably a member of the Communist Party.

She stated that a young woman about 23 years old, a stranger to her, has been in almost constant association with the regular PCP members, whom she does not know by name, for the past week or so. From the description offered by  it would appear that this young woman is ANA LIVIA CORDERO - a photo of CORDERO will be exhibited to  in order to effect a positive identification.

 has agreed to make notes of license numbers of cars involved in PCP activity as well as notes of general PCP activities, with special stress on unusual activity and the appearance of strangers.

It is noted that  is excitable and rather garrulous, which may limit her effectiveness. It is also noted that she has Italian relatives who are now, due to territorial changes, citizens of Yugoslavia and whose experiences have caused her to exhibit bitterness towards PCP members who come into her store.

The information set out in this channelized memorandum should be reported with extreme care and discretion, and the language used should be unusually circumspect because of the delicate situation

The following information was reported by the informant to the New York office:

On 2/2/53 informant reported that CESAR ANDREU IGLESIAS had been in contact with ANA LIVIA CORDERO DE ROSARIO, 135 West 93rd St., New York on 2/1/53. Informant reported that CORDERO is a leader of the youth section of the CP, NYC.

Note: Informant reported in Puerto Rico that CORDERO brought funds from New York during her Christmas vacation from Columbia University. This information has already been channelized.

On 2/20/53 informant reported that a group consisting of ALMA GARCIA and MERCEDES ARROYO and EDITH OJEDA (daughter of FELIX OJEDA) went on a visit to the Civil Rights Committee office, 6 East 17th St., NYC, on 2/19/53.

The captioned individual is the mother of ANA LIVIA CORDERO GARCES DE ROSARIO, subject of New York file 100-100246. The Puerto Rico Police Department has advised that the captioned subject left Puerto Rico for New York via PAWA accompanied by a Mrs. AMALIA A. BALL of San German, Puerto Rico, otherwise unknown to this office.

Mrs. GARCES DORREGO DE CORDERO was last known to be a Professor at the University of Puerto Rico and her husband, RAFAEL DE J. CORDERO is currently Comptroller of Puerto Rico. No active investigation is presently being conducted as to subject but a review of information received in the past about her includes the following:

During the course of a police investigation conducted in September, 1950, OSCAR LOUBRIEL, Assistant Professor of Education, University of Puerto Rico, stated that in July of 1950 he was studying at the University of Columbia, New York City, with the subject. He recalled that one day she was collecting signatures in front of the college; she said she was taking names in support of a Negro who was in prison and about to be sent to the electric chair. He believed, however, that the signatures were related to a Communist movement in Stockholm. Further, that he believed she was a Communist because of the way she defended Communism.

In view of the above information, your office is requested to check subject's name against your indices and advise of any pertinent information that may have been received.

DATE: October 29, 1954

FROM: SA JACOB L. FULLER

SUBJECT: PCP

Rerep of [] received by mail 10/25/54, re general PCP activities.

The informant stated that on the night of October 20, 1954, between 8:30 and 10:30 PM, six Party members met in the jeep in front of the Caserio San Jose on a street where there is a gasoline station, these members being GERTRUDIS MELENDEZ, MANUEL ARROYO, PASCUAL OTERO, JUAN BAUTISTA PEREZ, JOSE B. CHEVERE, and FELIX OJEDA.

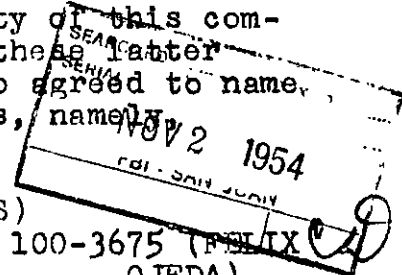

He said that a discussion was held regarding Party headquarters as to what should be done with it and regarding what should be done regarding RAMON MIRABAL. A discussion was had about the naming of a Central Committee of three persons but nothing regarding any of these subject matters was agreed upon this night. Another meeting was scheduled for Friday, October 22, 1954.

The informant said that on Friday, October 22, 1954, between 8:30 and 10:30 PM, another meeting was held in the jeep of the same six people; and JUAN BAUTISTA PEREZ reported on arranging for the payments on the jeep. He made a payment of \$48.00 on the total bill of \$215.00. "TULA" MELENDEZ said that she had been speaking with ANA LIVIA CORDERO who was going to organize a committee. She said that other members who are disposed to be of assistance were CURET CUEVAS and HELEN RODRIGUEZ, but there was no agreement reached by the group since these latter individuals are not known as members of the Communist Party since they have been expelled. It was agreed to call ANA LIVIA CORDERO and tell the agreements reached by this group and that the actions of ANA LIVIA CORDERO might prejudice the movement. GERTRUDIS MELENDEZ reported ANA LIVIA CORDERO, a medical doctor serving her internship in Puerto Rico and in the past connected with the Puerto Rico Partisans Peace Committee, had visited her home since the arrest of the eleven PCP leaders and suggested the organization of a defense committee for the eleven PCP leaders. CORDERO suggested that HELEN RODRIGUEZ TRIAS, ABRAHAM PENA, ELIEZER CURET CUEVAS and NIEVES PADILLA compose the committee.

General discussion was that PABLO GARCIA would probably be the first one to make his bond, at which time they would reorganize under GARCIA's guidance and discuss plans for the defense committee and the future of the party.

NOTE: GARCIA made his bond on November 4, 1954.

The only activity of the party at this time is the weekly pork sale and which money will most likely be used for the defense of the eleven PCP leaders.

Puerto Rican Partisan Peace Committee

In the July 14, 1950, edition of the newspaper "El Mundo", the subject was identified with the Puerto Rican Partisan Peace Committee. T-2 has advised (date unknown) that the Puerto Rican Partisan Peace Committee is a PCP dominated organization and part of a world-wide Communist movement.

On July 14, 1950, "El Mundo" carried the photograph of the subject on Page One, as one of four individuals arrested for collecting signatures for peace petitions of the above organization in front of the New York Department Store in Santurce, Puerto Rico. The other three members arrested were all PCP leaders, according to T-2, who identified their photos on July 20, 1950.

The informant stated that it was his impression that this money came from a Student Group with which the subject was affiliated with in New York City.

Re: Report of [REDACTED]
 Date of Report: 9/19/55
 Received: 9/20/55
 Activity: Miscellaneous

On 9/15/55, JUAN SAEZ CORALES, PABLO GARCIA, and RAMON MIRABAL went to Naranjito, P.R., and visited ANA LIVIA CORDERO DE JULIAN and her husband, J. JULIAN MAYFIELD. ANA LIVIA CORDERO is a doctor in Naranjito and lives in Barrio Achiste near the town. Her husband is an American Negro and according to the information, he was accused along with the case of some Nationalists and was placed in jail with them (it is believed the informant is confused and that this information is not correct).

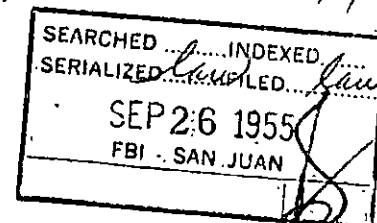

The three mentioned above visited JUAN PADILLA, who lives near ANA LIVIA CORDERO. This individual was also arrested in the Nationalist case and was known by the San Juan Smith Act defendants in the jail.

Another trip is scheduled for Saturday, September 30, at which time an attempt will be made to organize a PCP section in Barrio Achiste because, according to the information of JUAN PADILLA who has been a member of the Party for a long time, a section will be organized in Naranjito.

SAEZ, MIRBAL, and GARCIA want to take JOSE B. CHEVERE to Naranjito because that is his home town and they believe he may aid in the organization of a section there.

On August 27, 1956, T-2 advised that the subject was employed at the Rockefeller Foundation and was working as a physician at the Health Center in Comerio, Puerto Rico.

CONNECTIONS WITH THE PARTIDO COMUNISTA
PUERTORRIQUEÑO (COMMUNIST PARTY OF PUERTO
RICO) (PCP)

According to T-4, who has furnished reliable information in the past, the PCP is a Communist Party in its own right and not a district organization of the Communist Party, USA (CP, USA), although it is based on the same Marxist-Leninist principles as the CP, USA.

The CP, USA, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On September 12, 1955, T-4 advised that he was acquainted with the subject and although she is not a member of the PCP she is considered to be a sympathizer to the PCP.

On September 14, 1955, T-5, who has furnished reliable information in the past, advised SA CHAPMAN that he is not certain of the subject's membership in the PCP, but he knew her to be a friend of JUAN EMMANUELLI and that she is considered by T-5 to be a PCP sympathizer.

SJ 100-5258

T-4 advised that JUAN EMMANUELLI MORALES is a former member of the PCP Central Committee and former PCP Secretary of Organization from September, 1950 to September, 1952, who was expelled from the PCP in September, 1953, for factionalism. EMMANUELLI is one of the 11 PCP Smith Act defendants who were indicted on October 27, 1954, in San Juan, Puerto Rico.

On September 15, 1955, T-6, who has furnished reliable information in the past, advised SA THOMAS C. BURKE that the subject is not a member of the PCP but that he considers her to be a PCP sympathizer.

On September 20, 1955, T-6 advised SA BURKE that on September 19, 1955, JUAN SAEZ CORALES, PABLO GARCIA and RAMON MIRABAL had visited the subject and her husband, J. JULIAN MAYFIELD, at their home in Barrio Achote, Naranjito, Puerto Rico, and at that time these individuals discussed the organization of a PCP section in the Naranjito area. The three above-mentioned individuals had stated that the subject, when in New York, was in contact with the CP, USA, leaders and that she had the faculty to organize.

T-4 advised that JUAN SAEZ CORALES is the PCP Secretary of Labor and a member of the PCP Central Committee. SAEZ CORALES is also one of the 11 PCP Smith Act defendants indicted on October 27, 1954, at San Juan, Puerto Rico.

T-4 advised that PABLO GARCIA RODRIGUEZ is PCP Secretary of Finance and a member of the PCP Central Committee. GARCIA is also one of the 11 PCP Smith Act defendants indicted on October 27, 1954, at San Juan, Puerto Rico.

T-4 advised that RAMON MIRABAL CARRION is Secretary General of the PCP and a member of the Central Committee of the PCP. MIRABAL is also one of the 11 PCP Smith Act defendants indicted on October 27, 1954, at San Juan, Puerto Rico.

~~CONFIDENTIAL~~

SJ 100-5258

On September 24, 13 and 25, 1956, T-4, T-5 and T-6 respectively, advised that they know the subject's husband, J. JULIAN MAYFIELD, to be a sympathizer of the PCP, but that he is not a member of that Party.

The name of JULIAN MAYFIELD appears as a byline in the "World Journal", an English language newspaper published daily in San Juan, Puerto Rico.

On January 18, 1956, T-1 advised SA JOHN E. BYRNES that he observed automobiles with Puerto Rico license numbers 26377 and 8751, whose occupants had visited with the subject and her husband in Naranjito, Puerto Rico.

The above-mentioned numbers were searched through the registry of the Bureau of Motor Vehicles, San Juan, Puerto Rico, by SA BYRNES and it was determined that Puerto Rico license number 26377 had been issued to LEONARD SCHLAFER and Puerto Rico license number 8751 was issued to CESAR ANDREU IGLESIAS.

T-4 advised that LEONARD S. SCHLAFER has been expelled from the PCP, but that he is still considered to be a PCP sympathizer and believer in Marxism.

T-4 also advised that CESAR ANDREU IGLESIAS is former PCP Secretary General and a member of the PCP Central Committee from May, 1952 to September, 1953, at which time he was reduced to a rank and file member because of immoral conduct. ANDREU is also one of the 11 PCP Smith Act defendants indicted on October 27, 1954, at San Juan, Puerto Rico.

On September 24, 1956, September 13, 1956 and September 25, 1956, T-4, T-5 and T-6 respectively, advised that they had no further information regarding the subject and that to their knowledge, she is not a member of the PCP, but continues to sympathize with the PCP cause.
